**Thank you for your support during 2011, wishing you a Happy New Year!**

## New Service and Transportation Brokerage

On January 3, 2012, FACT introduced a new senior transportation service in the Escondido, Poway, and Rancho Bernardo area. The service will provide general purpose trips, Monday through Friday 8am - 6pm, to seniors (60+) traveling within the proposed service area. Reservations will be made through FACT at (888) 924-3228 and will be accepted up to 7 days in advance.

This is a one year pilot program service funded by a Senior Mini Grant. Fares for the service will be \$4.00 (up to 5 miles), \$8.00 (up to 10 miles), \$12.00 (up to 15 miles), and \$15.00 (up to 30 miles).

FACT is in partnership with several regional providers who will be assigned trips based on trip cost and rider needs. The service will operate as a brokerage which will first refer callers to existing transportation services. If the available services are unsuitable for the rider, FACT will perform the trip. The brokering of trips will allow for cost efficiency and the sustainability of the service.

If you have any questions or you are a provider who would like to be a part of the brokerage, please call Meagan Schmidt at (760) 754-1252.
