On September 22nd, FACT was awarded the WTS 2011 Innovative Transportation Solutions – Small Programs Award! The award recognizes how an organization supports key community values, such as improved accessibility and key community services. Board Member LaVonna Connolly accepted the award on behalf of FACT at the WTS Annual Awards Dinner.

FACT Board Appoints Members to CAM (Council on Access and Mobility) and TAC (Technical Advisory Committee)

The Council on Access and Mobility (CAM) and Technical Advisory Committee (TAC) consist of transportation advocates and stakeholders, advisory committees to the Board. CAM meetings are held bi-monthly in North or South San Diego County and are facilitated by Chairman Ben Macias of City Link Foundation, Vice Chair Todd Lordson of San Diego Regional Center and FACT staff. CAM's mission is to: **Promote coordination of transportation resources and services in San Diego County.**

CAM has recently formalized a membership structure with 25 seats. We need your input to appoint members to these seats. Please nominate yourself or a
